

## How to download free SFX on EvokeMusic.ai (without credit card)

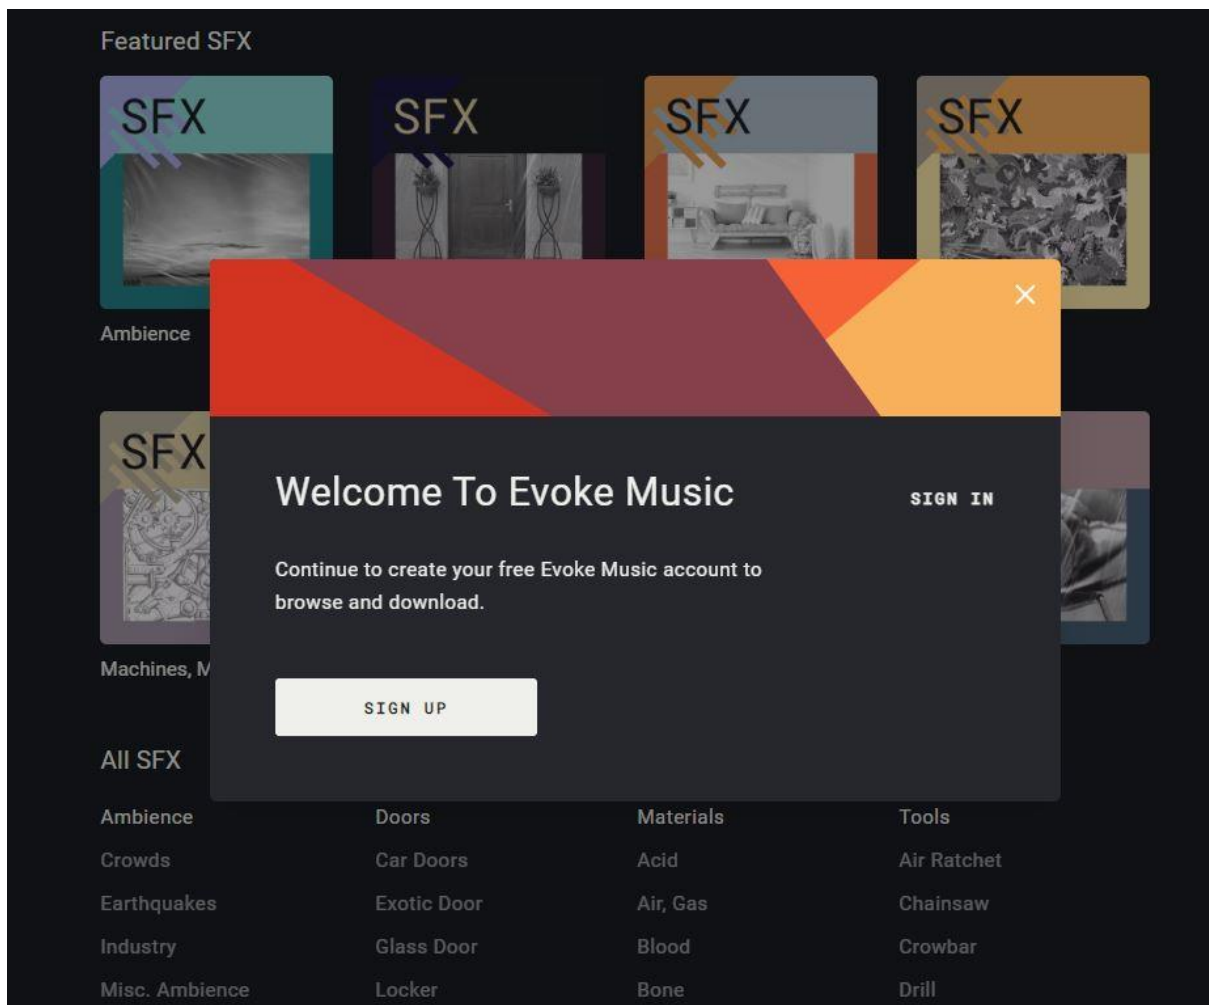

Over 10,000 free sounds are available at: <https://evokemusic.ai/music/sfx>

You can always sign up for the music subscription at the Evoke Music site.

If you only want to try their free SFX without providing your credit card, here are the steps to follow.

**You can either sign up or sign in.**

If you **sign in** (which means you already have an account on the website), go directly to the [SFX section](#) and start downloading the free sounds.

Otherwise, **create a new free account by signing up:**

The screenshot shows a 'Create Your Account' form on a dark background. At the top, the title 'Create Your Account' is displayed in white. Below the title, there is a section titled 'WHAT YOU GET:' with three bullet points: 'Browse and download copyright-free audio', 'Use Evoke Music catalogue on YouTube and other online platforms.', and 'All content uploaded during your subscription is licensed for life.' The form includes two columns for 'FIRST NAME' (with the placeholder 'Free') and 'LAST NAME' (with the placeholder 'Video'). Below these is an 'EMAIL ADDRESS' field with the placeholder 'newsletter@freeforvideo.com'. A 'PASSWORD' field is shown with seven dots. At the bottom, there is a checked checkbox and the text 'I agree to the Amadeus Evoke Terms and Privacy Policy.' A white button labeled 'CREATE ACCOUNT' is positioned at the bottom center.

**IMPORTANT:**

After signing up on the above screen, don't do anything on the website.

Wait for the below email to arrive to your inbox (which is why a valid email is handy).

Confirm your email.
